Your Patient Portal

How to create your account and login

Create Your Patient Portal Account

1. **Call your preferred ADH care center to inquire about creating an account.** The administrative staff will email you an invitation to the portal.

NOTE: If you do not receive an email, you may need to:
- check your junk folder (the email is sent from a "noreply" address), or
- call the care center to see if they have the right email address.

2. **Click the link in the email.** The link will send you to a new page, where it will ask you to verify your first name, last name, date of birth, and the PIN number, sent in the email.
